

# MEET QS IN ZOETERMEER!

Zoetermeer,  
29 October  
2019

QS invites all scheme participants and companies interested in participating in the QS scheme to get to know QS better.

Topics for discussions are among others:

- general information on QS
- scheme participation for producers
- recognition of other standards
- responsibilities of QS coordinators
- scheme participation of producer organisations, wholesalers, logistics and processing companies
- implementation of QS residue monitoring

## QS information event on fruit & vegetables

Tuesday, 29 October 2019, 10.00 am - 4.00 pm

GroentenFruit Huis  
Louis Pasteurlaan 6  
2719 EE Zoetermeer

**Registration**

In cooperation with

The standards defined by QS constitute strict, verifiable production criteria for all stages of the supply chain, from the producer to the retailer. The monitoring of these criteria across all stages, as well as the traceability of products and foods produced from them, are the distinguishing features of the scheme. To date, more than 30,000 companies in the fresh fruit & vegetables sector have chosen to participate in the QS quality scheme for food.
